

# RECHARGEABLE WORK LIGHT

## BE-RC-01

Our best-selling work light. The RC-01 runs off of a rechargeable battery. It comes with an adjustable polycarbonate stand for simple and easy directional adjustment and has magnetic feet to stay in place. It comes with a USB power bank charging facility for other devices that may need a quick charge while on site.

Ideal for any environment where extra lighting is required; construction sites, warehouses, garages, and more!
